JOIN US!

and help guard the
future of your boating
on the Broads

At an increasingly difficult time, we invite you to support the Norfolk & Suffolk Boating Association which exists to safeguard the right of navigation and boat-owners' interests on the Broads. And that means YOUR boating!

However you enjoy your boating, NSBA welcomes your membership

Dear boater

However you go afloat on Broadland waters, the Norfolk and Suffolk Boating Association (NSBA) welcomes you and your input into the future of the area.

The NSBA is consulted by and makes a positive input to government in one form or another on many issues. They range from the Local Development Framework to the Broads Plan, from the structure of the Tolls to the Flood Alleviation Project and, of course, the Broads Authority Private Bill. We also monitor the progress and value of work in the navigation interest.

To be effective we have to have your support, your opinion and input. You may already be a member of a Club or Association that is affiliated to the NSBA and feel that there is no need to join as an individual member. Political influence is a numbers game and it is important for us to demonstrate sizeable support. The more members we can point to, the louder our voice.

Please complete the form and join now in order to add your weight to the very important task of protecting Broads boating.

Thank you for your support.

Yours truly,

Mike Evans
Chairman

- NSBA has a voice on the Broads Authority but needs more information and support from representative boat-owners like you.
- NSBA supports the Broadland joint interests of recreation and conservation with navigation but urges balance and fairness by all.
- NSBA lobbies for improvement to the maintenance of the navigation (dredging, moorings, tree clearance, river work) and presses for increases in funding for navigation priorities
- NSBA monitors the performance of the Broads Authority against its published programmes and objectives.
- NSBA stands firm against threats to close any part of the Broads navigation.
- NSBA works closely with national boating organisations to make sure issues important to Broadland are addressed in national debates.
- NSBA already represents 45 sailing and boating clubs and organisations together with more than 1000 individual members.
