

However you enjoy boating, we welcome you into membership

Dear boater (sail, power and paddle):

However you go afloat on Broadland waters, the Norfolk and Suffolk Boating Association (NSBA) welcomes you and your input to the future of the area.

The NSBA is consulted by government, in one form or another, on many issues.

They range from the Local Development Framework to the Broads Plan, from the structure of the Tolls to the Flood Alleviation Project and we do our utmost to ensure that navigation interests are fully taken in to account.

To be effective we have to have your support, your opinion and input.

Please complete this form and join now in order to add your weight to the very important task of protecting Broads boating.

Thank you for your support.

Yours truly,

Mike Evans
Chairman

- The NSBA is lobbying for improvements on issues including (a) dredging (b) moorings (c) river work (d) funding for navigation priorities.
- The NSBA stands firm in protecting the navigation from any closure threats to any part of the Broads.
- The NSBA has a website including news on current issues - please visit: www.thegreenbook.org.uk
Click on Campaigns for up-to-date information.
- The NSBA already represents 38 sailing and boating clubs - plus more than 1000 individual members. But...

It needs to speak for you too.
